

Call for member artists:

Process

A joint exhibition between The Heritage Weavers and Spinners Guild of Calgary and ArtPoint Studios and Gallery Society.

March 17 – 31, 2025 Monday to Saturday 8am – 8pm

Hallway Gallery Level 3

cSPACE Marda Loop 1721 29th Avenue SW, Calgary AB T2T 6T7

Exhibition Reception Thursday March 20, 2025 5-8pm

Submit your work by Monday March 10, 2025 - drop off at HWSG studio only!

Pieces should be submitted with appropriate hanging/display devices – limited plinths available at cSPACE. We anticipate most submissions will be wall hung.

Prior to bringing in your work, we will require label information:

1. artist name (that's you!)
2. title of piece submitted
3. materials, techniques/weave structures used
4. some information on the PROCESS used to create the piece (here are a few suggestions re: what to include - see below)
 - How it was made: what materials, structure, equipment you used
 - Your design process: how you figured out what you wanted your final piece to look like
 - Your inspiration: what gave you the idea to make this in the first place
 - Techniques used: why you chose this technique(s), how did it allow you to convey your "idea".

Email your label information to: anja@redtoad.ca

Guild member Anya Reinshagen will be gathering your submission information and printing the exhibition labels for us. Please send her your information as soon as it's available so she can complete this easily – and include a photo if possible so we can use it for our website/social media posts!

Whether you weave, spin, felt or dye and regardless of your relative experience, all guild members are encouraged to participate! We have a large gallery space available that we will be sharing with the ArtPoint artists and will be exhibiting our work alongside their colourful paintings.
